Hello Ms. Alvarez,

Thank you for your reply to my query. I have a couple of more issues that I hope you can assist me with.

Firstly, I received a letter from the Public Service Commission that states that *"all parties of record must prefile with the Commission one copy of the direct testimony and exhibits of witnesses."* As we are a small group of homeowners who have other business concerns, we do not have the time nor the resources to support this request. However, the correspondence we received from the PSC notifying us of scheduled public hearings at Hillside High School in Simpsonville and Potter's House in Piedmont states that *"Persons who wish to testify before the Public Service Commission regarding the Application may do so at this hearing."* Therefore, the homeowners of Lake Trollingwood, Inc. humbly request to testify before the PSC rather than being considered parties of record who intervene. Please advise if this is possible. We apologize for our lack of information when submitting our initial petition and any inconvenience this request may impose upon the Commission.

Secondly, please tell me if the Hillside High School venue is strictly for Trollingwood homeowners or if there will be other UU customers attending that hearing as well. It is my understanding from your e-mail that the hearing to be held at Potter's House will have United Utility customers from Greenwood.

Thank you very much for your assistance.

Sincerely,

Rica Rose Conover  
Secretary/Treasurer  
Lake Trollingwood, Inc.

Ms. Conover,

The Hearing was scheduled at Hillcrest High School per the request of the Trollingwood Homeowners Association. The Potter's House location was scheduled per the people of Greenwood County. You may attend any hearing that is convenient for you.

Dear Ms. Alvarez:

Thank you for your recent e-mail and U.S. Mail correspondence with regard to the public hearing per the above referenced docket number. I hope that you could clarify the location of the public hearing for me.

One piece of correspondence indicates that a hearing is to be held at 6:00 P.M. on Tuesday, February 23, 2010 at Hillcrest High School (Auditorium), 3657 S Industrial Drive, Simpsonville, South Carolina 29681. However, another piece of correspondence indicates that a hearing will be held at 6:00 P.M. on Thursday, February 25, 2010 at Potter's House Christian Fellowship, 7770 Augusta Road, Piedmont, South Carolina 29673.

Please advise which hearing the residents of Lake Trollingwood, Inc. should attend. **We actually live closer to the Potter's House Christian Fellowship, which is about 5-7 minutes from our subdivision, as opposed to the Simpsonville venue, which is about 20 minutes away.**

Thank you in advance to your attention to this matter.

Sincerely,

Rica Rose Conover
